BOHEMIA TREASURY s.r.o.

with headquarters in Prague and showroom in Humpolec was founded in 2009 after the bankruptcy of Sklo Bohemia glassworks where we had been employed. In that time we cooperated with Rogaska factory where our own designs were produced and meanwhile we have been selling the most of the former customers of Bohemia Crystalex Trading the pressed and blown collections of Sklo Bohemia Svetla factory. It helped a lot to keep the continuity in business and sales of these products. After re-opening of the factory we helped to restart the production and returned the fame of its products. We worked on key positions in SALES & LOGISTISC, PRODUCT DEVELOPMENT and PRODUCTION departments in this modern CZECH glassworks.

In 2016 we left the factory to start our own private business. Our experiences have allowed us to offer you smooth first ACCESS to miscellaneous crystal glass business. We know the markets WORLDWIDE. We know PRODUCTION TECHNOLOGIES. The DESIGNS we create reflect your market needs. UNIQUE DESIGN and the partnership with modern MANUFACTURING PLANTS enables Bohemia Treasury to offer high quality products and professional customer service. We help you to choose right and safe PACKAGING and optimal TRANSPORTATION.

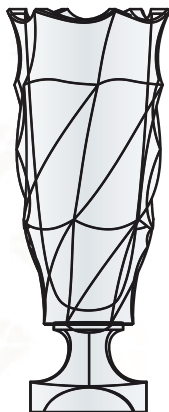

WE ARE HERE TO LET YOUR CRYSTAL DREAM COME TRUE.

The success of BOHEMIA TREASURY leads off from the unique design of products and close cooperation with MODERN PRODUCERS.

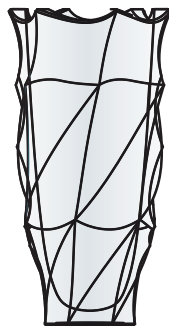

The merchandise is offered under NEW registered trade mark BOHEMIA TREASURY.
