BOHEMIA TREASURY – product development

**Dear business friends,**

it has been few months we have informed you about the situation in our company so let me kindly announce you what we have managed meanwhile.

We have successfully launched and produced new whisky sets matching our collections Samba and Flamenco. Right now we have them ready in the stock.

We have also produced vase, bowl and bottle from our new collection Ponti.

Last but not the least we have also produced new Porto bottles.

SAMBA

FLAMENCO

PONTI

PONTI

PORTO

Also the rest of our standard items from Samba, Flamenco and Bolero collections are produced and ready for the immediate shipment or for making any kind of our decorations.

In case you need large photos or any addition information I am ready here for you.

I believe you will find all these new items very interesting for your markets and looking forward for hearing from you soon. Your new orders are highly appreciated of course.

Thank you for your kind attention and cooperation.

With best regards

Tomas Firt
